

ABOUT THE IWW:

The Industrial Workers of the World is a democratically-run union for all workers. Founded in 1905, the IWW (or "wobblies") is a union based in the fundamental philosophy that the working-class and the employing-class have nothing in common, and that only by organizing industrially can workers emancipate themselves from the oppression of wage labor.

For more information about the IWW, you can contact the San Francisco

Bay Area General Membership Branch at:
